WORKHORSE PLUS RANGE
MULTIFUNCTION LASER PRINTER

The MF515x black and white A4 laser Multifunctional printer is ideal for enterprise workgroups that want fast, professional-quality output capabilities in a fully featured compact device tailored for flexible working.

Smart, simple and compact MF515x black and white Multifunctional printer hosts features such as an intuitive 3.5” colour touch screen, standard 550-page paper capacity and Quick First-Print from start-up. The MF515x offers security convenient privacy feature: the Secure Print function protects your documents with a PIN code, and with the added security of 300 password-protected Department ID’s. The One-Touch Solution Keys simplify frequently performed tasks, while mobile printing capabilities allow printing to be done conveniently.

Key Features

All-in-One cartridges Toner Cartridges

The MF515x utilises a drum cartridge in which an “Intermediate Transfer Unit”, “Photosensitive Drum”, and “Waste Toner Container” that are normally individual consumables, are all combined, meaning less consumables to stock and less fuss.

Low Power Consumption and Quick Start Up

By adopting Canon’s unique On-Demand Fixing System, there is zero warm up time, so no waiting. The unit springs into action the moment it’s needed and with up to 40ppm mono print or copy speeds. The MF515x only consumes 1.5 watts or less of power in sleep mode and meets ENERGY STAR guidelines, so you not only save on your electricity bill but also the environment too.
