Canon OFFICE MAXIFY MB2160

All-in-One Home Office Printer

Are you running a business from home or just printing a lot of documents from your home study? Then the MB2160 is the multifunction printer for you. Packed with great office features that connect you to your digital workspace – you'll never be more equipped to conquer any work task. The MB2160 is similar to the MB2760, but instead comes with one less paper tray, so it can fit more neatly into any workspace. Speed is what OFFICE MAXIFY is renowned for and the Canon OFFICE MAXIFY MB2160 delivers on this. And for those of you really in a hurry, it can print the first black and white page out in approx. 6 seconds[1]. All the while, delivering an average cost per page of 3.6 cents per page[10] on black and white prints.

KEY FEATURES AT A GLANCE:

FAST – because you don't have time to waste

* Be impressed with just how fast you can print with 19 ipm for black and white and 13 ipm prints for colour[1] in A4.
* Hit print and get your page out in approximately 6 seconds for black and white, and 7 seconds for colour[1].
* Be even more impressed with the copying speeds through the ADF copying 18 ipm in black and white and 10 ipm in colour[2].

Speedy Print Times

QUALITY – because why should you compromise

* Get a maximum print resolution of 600x 1200[1] dpi – so your documents can be crisp and clear when showing off your great work.
* Show off your colours – 4 single ink tanks are used to get the best quality to represent your work in the best light.
* Pigment inks are used to demonstrate high quality prints. Our MAXIFY inks are water resistant, so you can highlight over your work straight out of the printer.
* We know you want to get started straight out of the box, that's why we have included a set of standard ink tanks.

4 Single Inks

CONNECTED – because how you work is evolving

* Great wired options including Hi-Speed USB 2.0, Ethernet 10/100MPS (auto switchable) and USB flash Memory port (A Type) – this will help you get the fastest speeds possible.
* Easy wireless options including WIFI, Wireless LAN and Access Point Mode – frees your printer from your workspace.
* Connect from your smart device using the Canon Print Inkjet/ SELPHY app and get your documents off your smart phone and printed.
* Other great connection options include MAXIFY Cloud link, Microsoft Mobile Print, Apple Air Print and Google Cloud Print.

Smartphone and Tablet print/scan

EFFICIENT – because keeping costs down is important

* Our XL ink tanks with this model can deliver 1,200 black pages and up to 900 colour pages on average.
* Using our genuine XL inks and paying at RRP will mean your cost per page is approximately 3.6 cents per page[10], for black and white prints.
* The ability to print conveniently and easily in duplex means, you can cut down on your paper costs.
* A simple auto on and off feature will ensure that your printer is not constantly switched on and using power, which adds to our EPEAT and Energy Star Compliance.
