LabelManager 210D

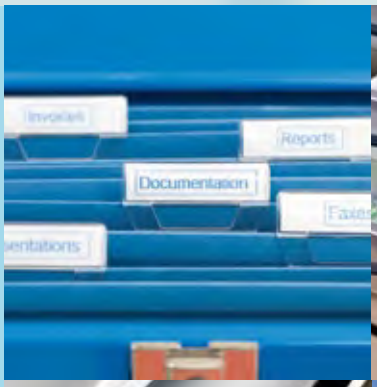

Easy-to-use label maker for your desktop

LabelManager 210D

The new LabelManager 210D is the label maker that belongs on every desk.

Versatile, yet easy to use: the LabelManager 210D has all the features a professional label maker should have. A completely new user interface makes this label maker extremely easy to use.

EASY, VERSATILE & PACKED WITH FEATURES

The LabelManager 210D is very user friendly thanks to its large graphical display which shows you exactly how your label will print, simple keyboard, logical navigation and clear instructions. You'll be making any label you want in no time. The LabelManager 210D can be set to your own language so you understand every command in the display. With its impressive range of fonts, character sizes and styles, it offers lots of customization options.

QUICK GLANCE LABEL MAKER FEATURES

- Easy navigation from start to print
- Quick access buttons to punctuation, currency symbols and diacriticals (for instance é, à, ç,...)
- 6 font sizes, 7 styles and 8 different boxes to customize your label
- Auto power-off to extend battery life
