DYMO

LabelManager® 500TS

Touch Screen Label Maker with PC or Mac® Connection

The first standalone office touch screen label maker from DYMO.

Name anything you ever wanted to do with a label maker—the revolutionary DYMO Touch Screen™ label maker lets you do it with ease! Edit, format, and customise labels with a touch of your fingertip. Connect to your PC or Mac®* and use DYMO Label™ software to customise your labels with fonts or graphics—even download your labels for editing and printing on the go.

Rechargeable Battery Pack

LabelManager® 500TS Features

1. Large, full-color touch screen – a DYMO first! Just tap to create, edit and format labels with ease
2. Speed text entry using the computer-style keyboard
3. Eliminate the hassle of manual cutting with an automatic label cutter
4. Customise your labels with 10 fonts, 25 font sizes, 5 boxes plus underline, 32 text styles and 325 built-in symbols and clip art images
5. Prints crystal clear graphics, barcodes and logos at 300 dpi resolution
6. Share without losing your settings—new user profiles let you store settings and data for up to 5 different users
7. Avoid the cost and waste of disposable batteries with the rechargeable battery pack
8. Label fast—prints twice as fast as other DYMO label makers

Connect to your PC or Mac®* and use DYMO Label™ software to customise your labels with fonts or graphics—even download your labels for editing and printing on the go
