Lexmark™

Lexmark CS310 Series

Stunning color. Smart for business.

The Lexmark CS310 Series color laser printer performs like no other. With PANTONE® color matching and other features typically found only on larger, higher-end systems, this affordable desktop system helps your company shine with professional results. Want 2-sided printing capabilities? Get the CS310dn.

Fantastic color. Fast.

Delivers rich, consistent color printing that can greatly enhance your company's brand, sales and presentation materials. Faster and more reliable than ever, so your team can stay highly productive.

Freedom to print on the fly: With the ability to print professional color in-house, you'll save time and money typically spent on expensive, outside printing alternatives.

Professional color matching: Lexmark Named Color Replacement and PANTONE® calibration make it easy to develop a consistent brand image by accurately matching your colors.

High resolution graphics: With up to true 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent quality, too.

Super fast and quiet output: Quickly print up to 25 pages per minute in black and color. You can produce a 1-page color document in as little as 11 seconds.

Up to 25 ppm

Eco-mode

Unison™ TONER

Get more work done. Effortlessly.

Produce everything on the spot—from in-store signage to customer presentations. Features like an easy-to-read user control panel, large output bin and more make printing a breeze.

Reliable performance: Easily print up to 5,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Run larger jobs without interruption: With an input capacity of up to 900 sheets and a high yield toner cartridge option, you won't have to add paper or change cartridges as often.

Print complex documents fast: Print documents with graphics and images effortlessly with 256 MB of upgradable memory and a fast dual-core processor.

Innovative toner that optimizes performance: Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Adaptable. Secure. Saves money, too.

Designed to help you quickly respond to changing business needs, our eco-friendly printers help your company keep a competitive edge with a streamlined workflow and cost-effective operation.

Print anytime and anywhere[6]: With this system, you can print from desktops as well as mobile devices that can run applications.

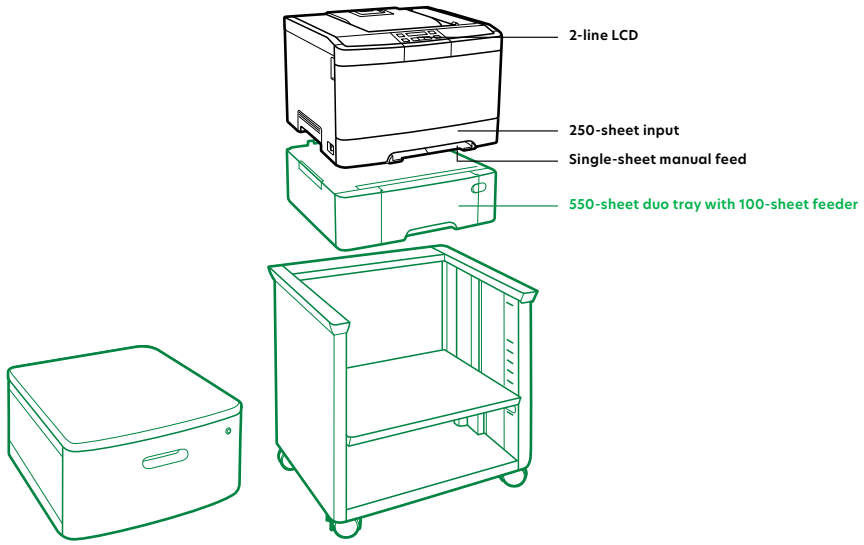

Better manage print jobs: Take advantage of smart functions like job waiting, custom messaging and programmable alerts.

Enjoy enterprise-level security: Audit employee usage and protect sensitive data using standard network security protocols.

Save resources and the planet: An instant warm-up fuser, built-in 2-sided printing[8], plus Quiet, Hibernate and Eco modes minimize noise and save paper and energy.

Optional Network Ports	MarkNet N8352 802.11b/g/n Wireless	MarkNet N8352 802.11b/g/n Wireless, External MarkNet N7020e Gigabit Ethernet
Noise Level: Operating	Print: 48 dBA	
Specified Operating Environment	Altitude: 0 - 2896 Meters (9,500 Feet), Humidity: 8 to 80% Relative Humidity, Temperature: 16 to 32°C (60 to 90°F)	
Limited Warranty - See Statement of Limited Warranty	1-Year Exchange Service, Next Business Day	
Size (in. - H x W x D) / Weight (lb.)	11.5 x 17.4 x 16.0 in. / 44.3 lb.	11.5 x 17.4 x 16.0 in. / 44.8 lb.

[1]Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. [2]"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. [3]Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. [4]Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. [5]Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. [6]Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. [7]"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
