EPSON
EXCEED YOUR VISION

SPECIFICATION SHEET

Expression® ET-2650 EcoTank® All-in-One

Wireless | Print | Copy | Scan

Supertank All-in-One

Everyday

The wireless EcoTank all-in-one with Cartridge-Free Printing and unsurpassed convenience.

Cartridge-free printing — comes with up to 2 years of ink in the box[1]

Includes enough ink to print up to 4,000 pages black/6,500 color[2] — equivalent to about 20 ink cartridge sets[3]

Save up to 80 percent on ink with low-cost replacement bottles[4] — plus easy-to-fill, supersized ink tanks

Built-in wireless, plus Wi-Fi Direct®[5] — easily print from iPad®, iPhone®, Android™ tablets and smartphones[6]; print wirelessly without a network

Unbeatable combination of value[1] and convenience — the freedom to print anything you want in color, without worry

Easy setup and control — 1.44" color LCD

Print photos, PC-free — built-in card slot[7]

One-touch copying — get high-quality copies fast

Product protection you can count on — 2-year limited warranty with registration[8]

1 Based on average monthly print volumes of about 150 pages.

Epson America, Inc. is a SmartWay® Transport Partner[13]

Ordering Information

Expression ET-2650 EcoTank	C11CF47201

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on system configuration and page complexity. For more information, visit www.epson.com/copyspeed | **1** Based on average monthly print volumes of about 150 pages. | **2** Included ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit www.epson.com/inkinfo | **3** About 20 cartridge sets estimate based on print yields of the included Black and color ink bottles as compared to standard-capacity ink cartridge sets for similarly-featured cartridge printers as of July 2016. | **4** Savings comparison based on the purchase cost of replacement ink bottles and the cost of enough cartridges to achieve the total page yields of the bottles using the manufacturers' online prices and yields for the highest-capacity cartridges for the best-selling similarly featured consumer inkjet printers priced at $499 or less per NPD, July 2016. Actual savings will vary based on print tasks, print volumes and usage conditions. | **5** Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | **6** Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | **7** Adapter may be required. | **8** 12 months of standard limited warranty. For an additional 12 months (total of 24 months), register your product and use Epson genuine ink bottles. | **9** Some applications and/or functions may not be supported under Mac OS X. | **10** Internet access is required to install OS X® drivers and software. | **11** Replacement ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit www.epson.com/cartridgeinfo | **12** For convenient and reasonable recycling options, visit www.epson.com/recycle | **13** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
