# Portege R30-C
# PT363A-0NV02F

## Overview

The Portégé R30 is the stylish ultraportable business notebook that redefines the standards of performance, reliability, capabilities and value.
Full on-desk docking facilities provide easy workstation usability, yet this elite performance notebook is still stunningly thin, light and portable, weighing from as little as 1.5kg. Built to handle the rough and tumbles of life in the office and on the road, it features Toshiba's unique Honeycomb chassis for increased durability, reliability and security.
The 13.3" High Definition widescreen backlit display uses transflective LCD, providing superb picture clarity in all indoor and outdoor conditions. Ensuring maximum productivity, the 6th Gen Intel® Core™ i5/i7 dual-core processor revolutionises the mobile computing experience. Busy professionals will relish the blazingly fast start up, performance and connectivity plus greater inbuilt security and an amazing all-day battery life of up to 8 hours.

**Toshiba recommends Windows 10.**
