Tecra Z50-D (4G)
PT581A-0D001Q

Overview

The outstanding Tecra Z50 Ultrabook™ features the best of everything for high-flying professionals who need a topflight mobile desktop replacement that means business – for a seriously compelling price.

Ultra-thin and ultra-light, the Z50 features a stunning 15.6" Full High Definition backlit, anti-glare widescreen display, for ease of working in all lighting conditions. With full on-desk docking facilities, it's large enough to work on complex spreadsheets at the desk, yet still super thin and light to carry everywhere as a mobile office.

Powered by the 6th Gen Intel® Core™ i5 dual-core processor, the Z50 revolutionises the mobile computing experience. Busy professionals will relish the blazingly fast start up, performance and connectivity and greater inbuilt security. Combined with a choice of Toshiba's seriously snappy 500GB HDD or Next Gen 256GB M.2 SSD, your team can work faster and smarter for much longer with the outstanding battery life of up to 9 hours.

Toshiba recommends Windows 10.
